

SE Boot Camp Project 2 - Sales Webpage

Instruction:

Project 2 consists of creating a sales webpage. The purpose of project 2 is to use the knowledge of colors, image manipulation, layout, animation, and modal window to create a simple sales page.

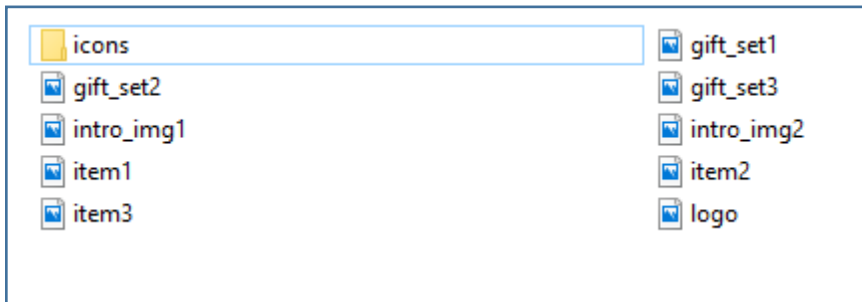

Folder organization Main folder

Project 2

Inside of images sub-folder

Project 2 > images > icons

Project 2 will be graded as the following:

Items	Grade
Application and manipulation of CSS skills learned in Day 4,5,6 and 7	30
Complete all website's features as explained in class	30
Complete all HTML and CSS files	15
Presentation and organization of the website (the appearance of the website)	10
Files organization	5
Submission on time through Github: Due date is Jan 18th, 2021 before 12:00pm.	10

1. The background color of the web page is lightyellow.

2. When the webpage is loaded, the upper left icon and two titles all have animations. There is also a slideshow animation which includes 3 slides.
3. The slideshow is above the first flower picture block. There is a text block on the first flower picture.
4. The two blocks shows below both have linear gradient effect.

Josefina Body Care Collection

Discover the exotic sensation of all seasons

Today Only! **\$5.99** INTO THE NIGHT BODY CARE Code: *STARRYNIGHT*

A 100% natural, unique dry oil that nourishes the skin. Enriched with nourishing herbs, specifically put together according to the Ayurvedic tradition for the Vata Dosha. With nourishing sweet almond oil and basil.

Unique blend containing antioxidants, vitamin E and the ingredient *Centella asiatica*.

Strengthen Your Skin

Special technology makes this whipped cream easy to apply while its rich and velvety formulation nourishes your skin.

Enriched with nourishing rice milk and a flowery fragrance of cherry blossom.

5. Starting from here, web page shows single product and gift sets information. The single product section shows 3 products; click on any ADD TO BAG link, a modal window should show as below. There is also a hover over effect of **all** buttons. In the modal window, click on surrounding area (optional) or  on the top right corner to close it. Clicking on CONTINUE SHOPPING button can let users look through all the rest modal windows in the row (optional).
